**Notice is hereby given that the Rules and Regulations Committee of the Rhode Island Fire Safety Code Board and its Technical Subcommittee will continue its ongoing meeting in open session at their headquarters located at 1 Regan Court, Varley Building #46, Cranston, R.I. on Wednesday, June 22, 2011 at 10:00 A.M. At that time the Committee and the Subcommittee shall continue their review of the fire alarm and related inspection, technical and occupancy provisions of the 2009 Editions of NFPA 1 and 101 and the current Rhode Island amendments. As stated during the initial session of the ongoing meeting on October 20, 2009, in order to avoid confusion, the final written draft rules and regulation document along with all supporting documentation and notice of any official votes taken presented to the full board for review, shall constitute the official minutes of all sessions of the ongoing meeting of the Rules and Regulation Committee and its Technical Subcommittee. The unofficial minutes of each session, including the date, time and place of the session, the members present, any official vote taken and any other relevant information shall be available at the Fire Board headquarters.**
